Re: Cleaning of Disposal Wells in OFB Community

Dear Residents,

Please be advised that Bahamas Industrial Maintenance Ltd have been contracted to clean the disposal wells in OFB starting July 27th 2021. The clearing of disposal wells is intrinsic to their effective functioning in disposing of storm water in order to avoid flooding in our roads.

This work is anticipated to last two days, all things permitting, and should involve only minor disruption to traffic flows which will be clearly marked.

Thank you,

Sonya Alvino Manager

Old Fort Bay Property Owners Association
