Dear Residents,

RE: POA Rules and Regulations

Please see the attached handbook which replaces all previous handbooks pertaining to the Rules and Regulations of Old Fort Bay Property Owners Association.

This handbook is intended to pull together all of the expectations of the POA into one easy to use document. From time to time this document will be updated with new information, or changes in policies made by the Board for the betterment of the community. You will be advised of each update and sent a new draft.

Thank you,

Sonya Alvino

Old Fort Bay Property Owner Association
