Dear Residents,

Re: Dredging of the Old Fort Bay Channel

The dredging of the Old Fort Bay Channel will begin on Tuesday 26<sup>th</sup> January 2021 and will continue for 4 days – weather permitting.

The channel will be closed between 8am and 12pm daily. If there is an emergency situation and you desperately need to move your boat out of the channel between those hours then we can accommodate you, but we do ask your cooperation in adhering to these hours, so that we can complete the task in a shorter period of time.

Please do not hesitate to contact me if you have any questions with regards,

Thank you,

Sonya Alvino
